Psicologia Clínica

The background of the slide is a solid olive green color with a subtle, repeating pattern of light-colored, hand-drawn style flowers and leaves. The flowers are five-petaled and have visible stamens. The leaves are simple, rounded shapes. The pattern is distributed across the entire background.

Human and Grounded

Débora Kaneko is a clinical psychologist whose work is rooted in empathy, presence, and a deep respect for each individual's emotional journey.

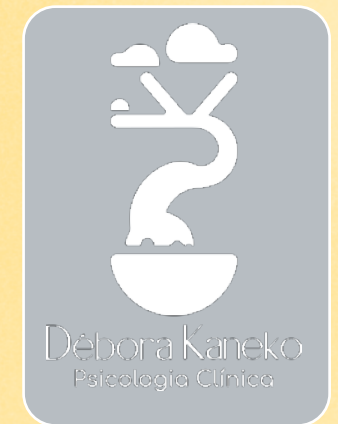

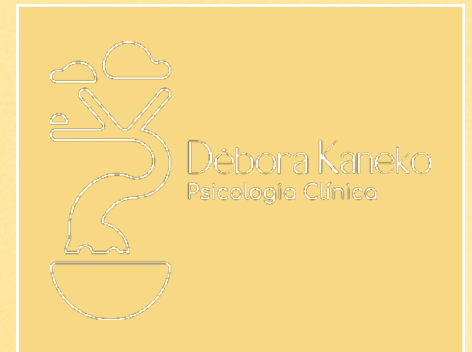

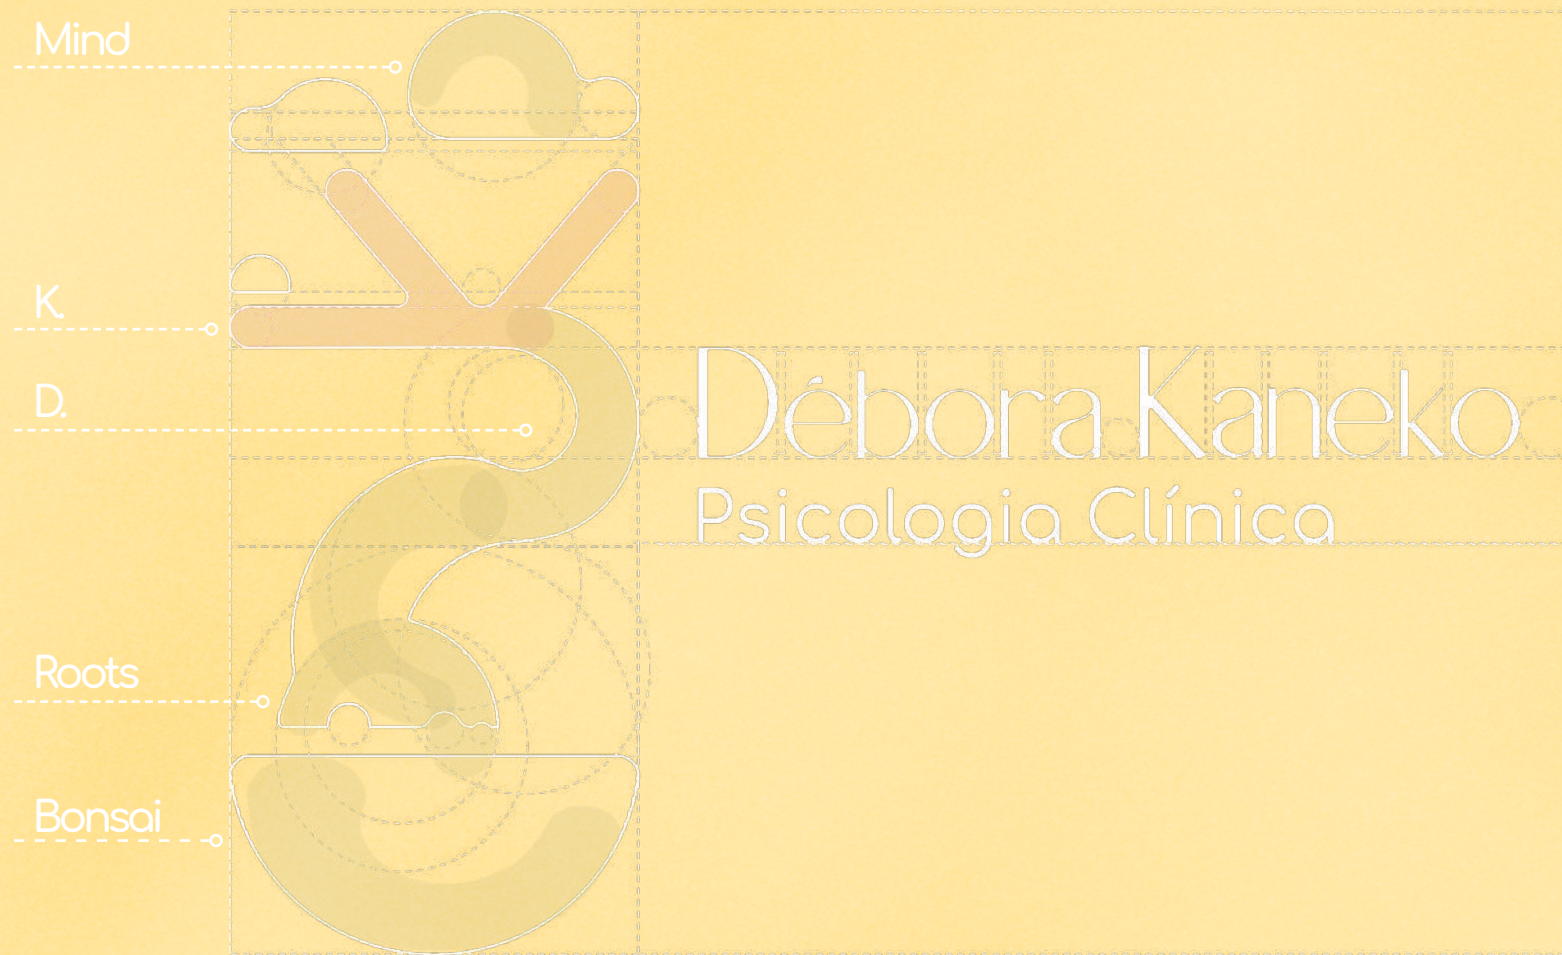

With a calm and attentive approach, Débora creates a safe space where patients feel seen, heard, and supported as they navigate the complexities of their inner world.

Her practice blends scientific knowledge with genuine human connection, offering psychological care that is both grounded and compassionate.
